Making **Employee Experience**
aspirations a reality

Transactional HR

Changing the game on
Operational Excellence

Relevant

The most relevant AI delivered in the context of your business processes.

Reliable

Uniquely reliable AI trained on the industry's broadest business data sets.

Responsible

AI built on leading ethics and data privacy standards.

**SAP Business AI has the goal
to deliver real Business Results**

Responsible AI

We care deeply about the impact of AI on the well-being of people, the health of our customers' businesses, and SAP's impact on society and economies.

Human Agency & Oversight

Safeguarding human autonomy, particularly for automated decision-making

Addressing Bias & Discrimination

Patterns of marginalization, inequality, and discrimination must not be encoded into AI

Transparency & Explainability

Prioritizing both the transparency of the development process and an AI system's decisions

AI Ethics Advisory Panel

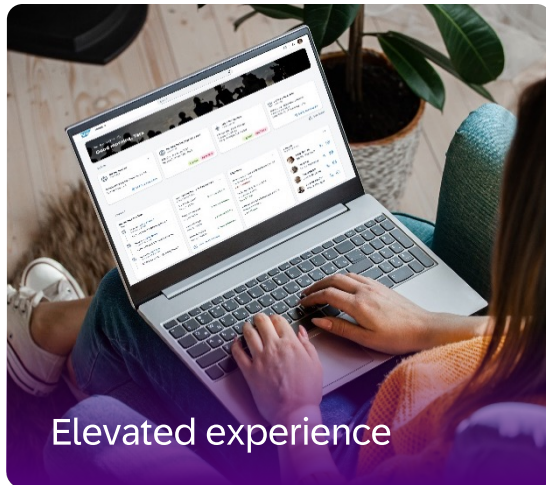

SAP's AI Ethics Policy

AI Ethics Steering Committee

Empowering HR as catalysts of transformation to ensure people are central to business strategy

 Powered by AI

SAP SuccessFactors Behavioral Science and Research

of Mya Cooper

Request feedback
from my manager

Tell me the top
critical skills needed

Show me open
positions

Check my salary

Assign compliant
learning to my team

Promote Jada

Change
my pronouns

What else can Joule do for me

The screenshot displays the Joule BYOD Dev group interface. At the top, there is a search bar labeled "Search this library" and a user profile icon labeled "JD". Below the search bar, the group name "Joule BYOD Dev" is shown, along with the status "Private group", "Not following", and "15 members". A navigation bar includes options like "+ New", "Upload", "Edit in grid view", "Share", "Copy link", and "All Documents*". Below this, the breadcrumb path "Documents > SAP 2024 HR Policy Documents > US" is visible. A table lists five PDF documents, all modified on April 11, with the column header "Modified B" partially visible. The bottom of the screen shows a mobile navigation bar with icons for home, search, documents, and a plus sign.
