A man in a dark suit is seen from behind, standing and looking out a large window. The window offers a view of a city skyline with various buildings. In the foreground, there is a blurred desk with a laptop and a glass of water. The overall atmosphere is professional and contemplative.

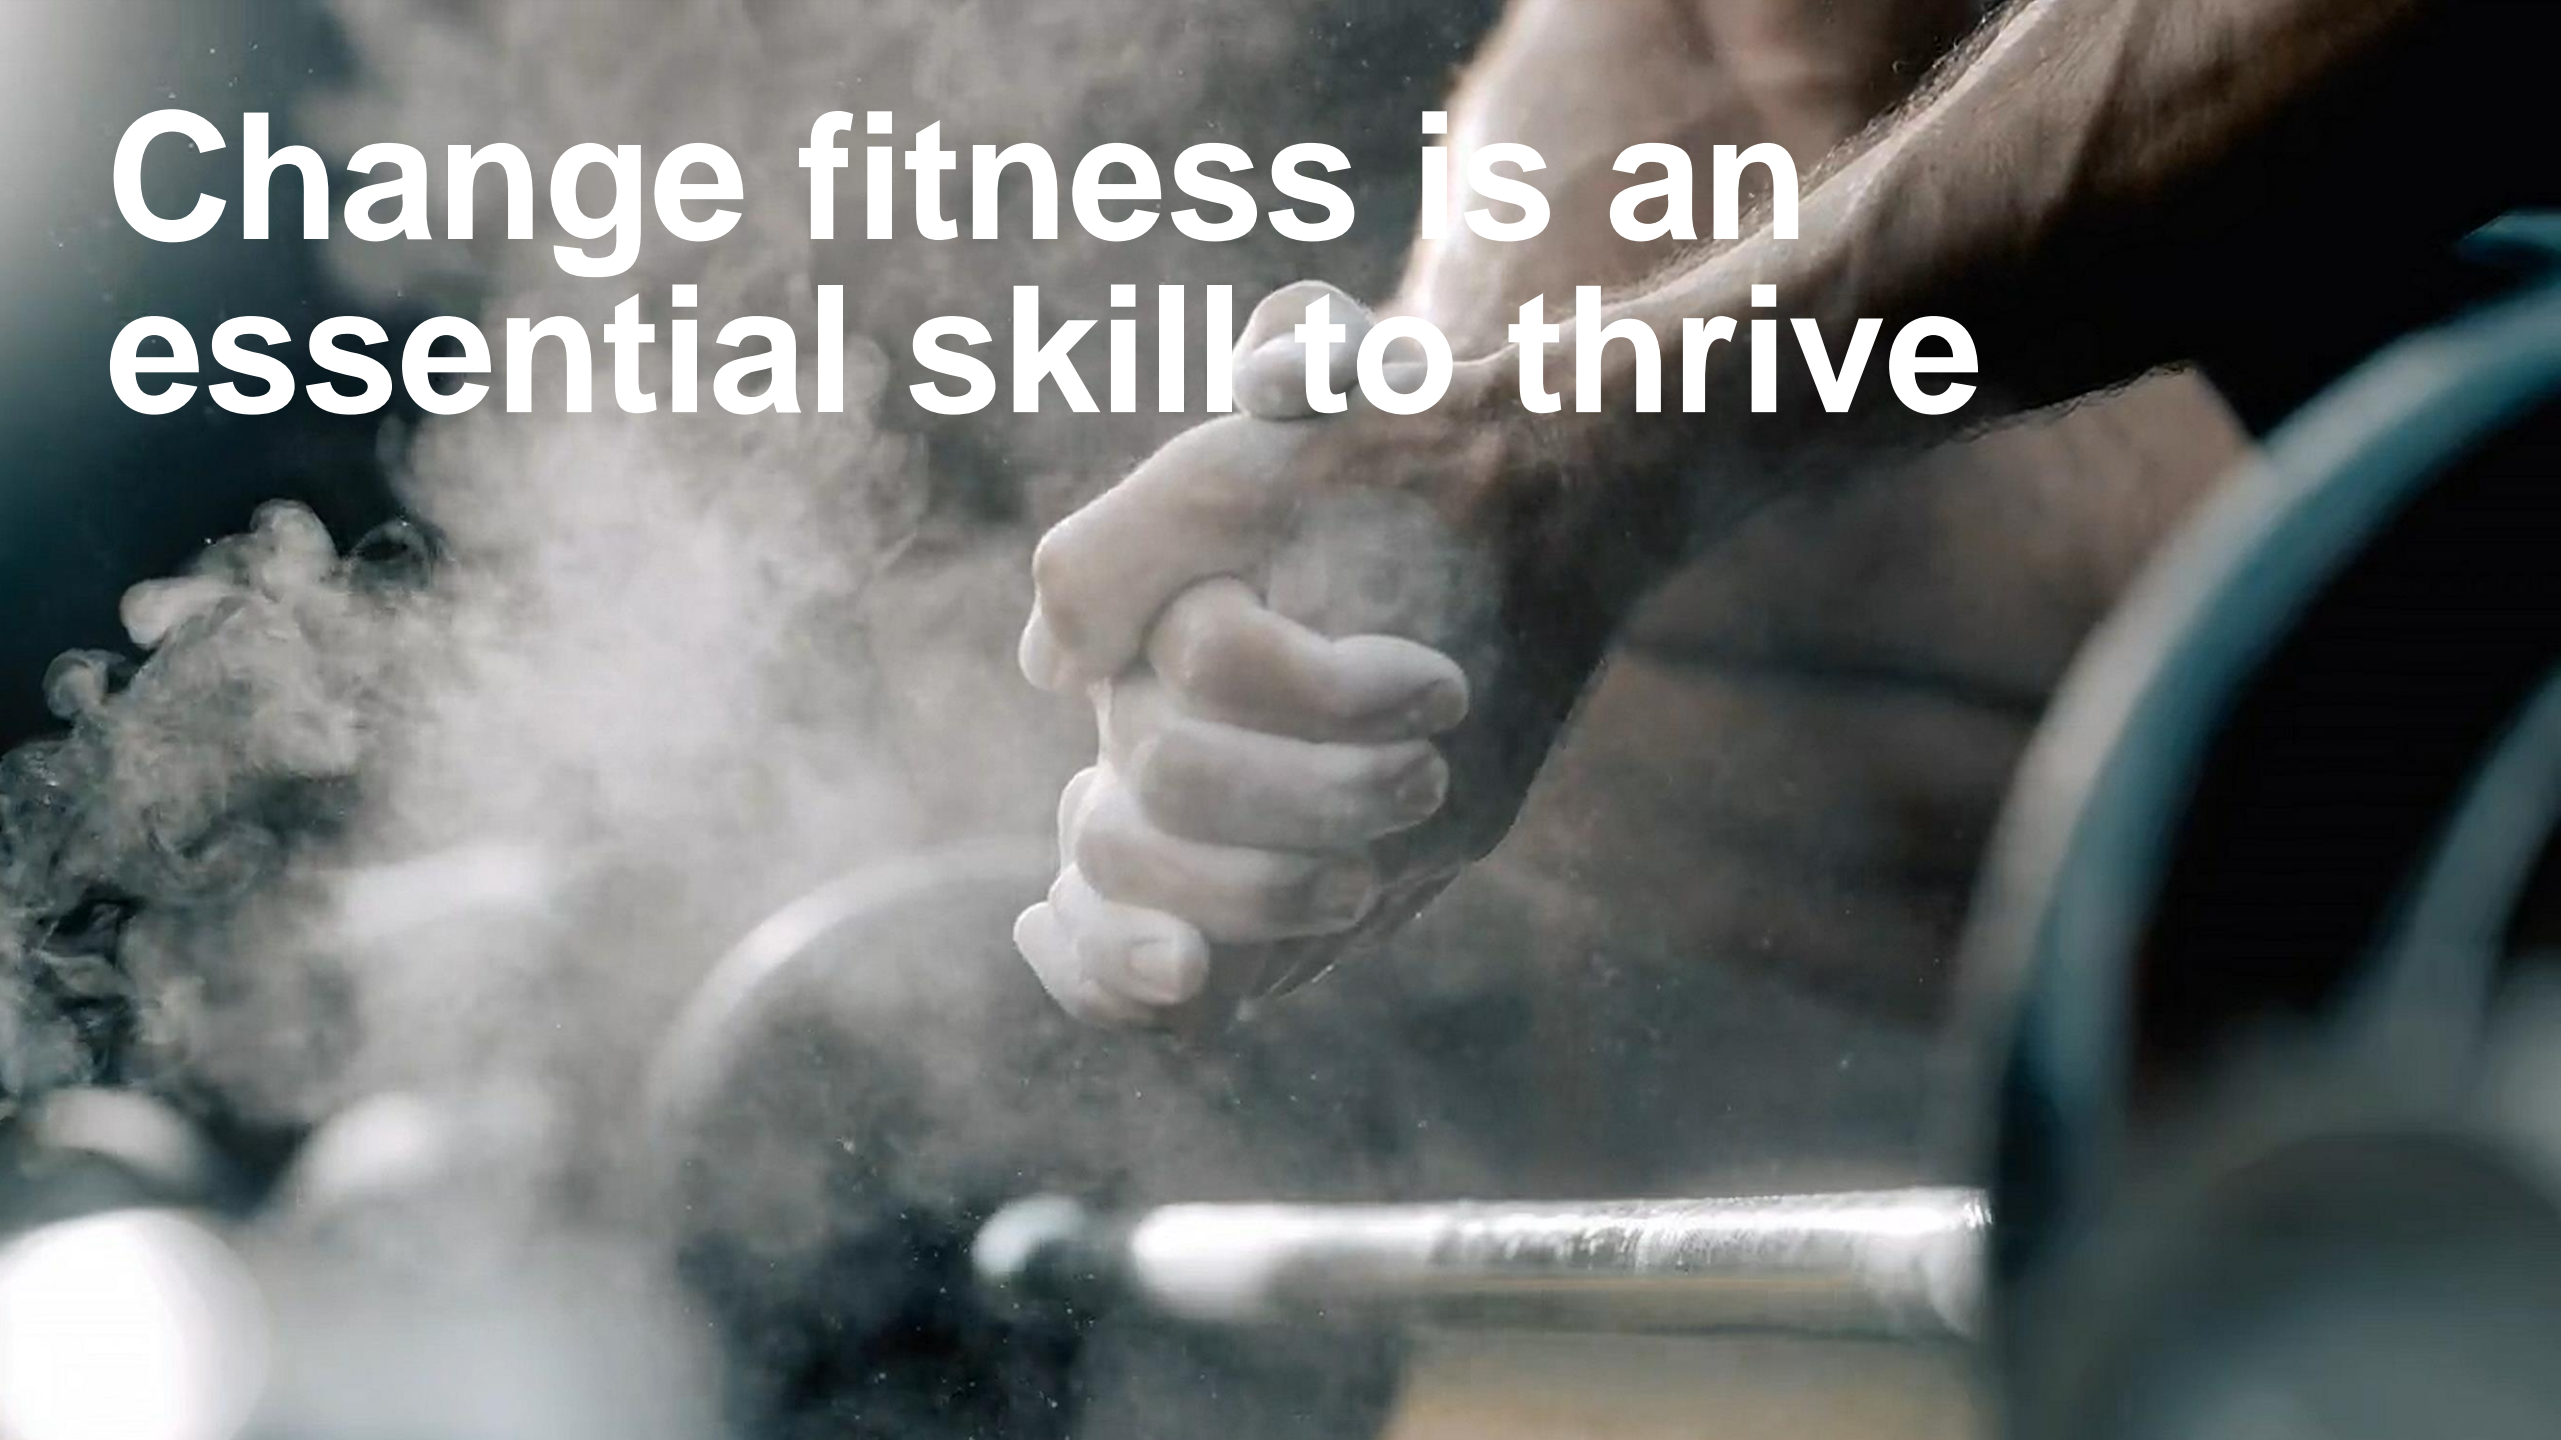

Der CIO von Heute – Hidden Champion, unverzichtbar, unterbezahlt?

Robert Hüfler,
Director Center of Excellence,
SAP Signavio

Change is a given

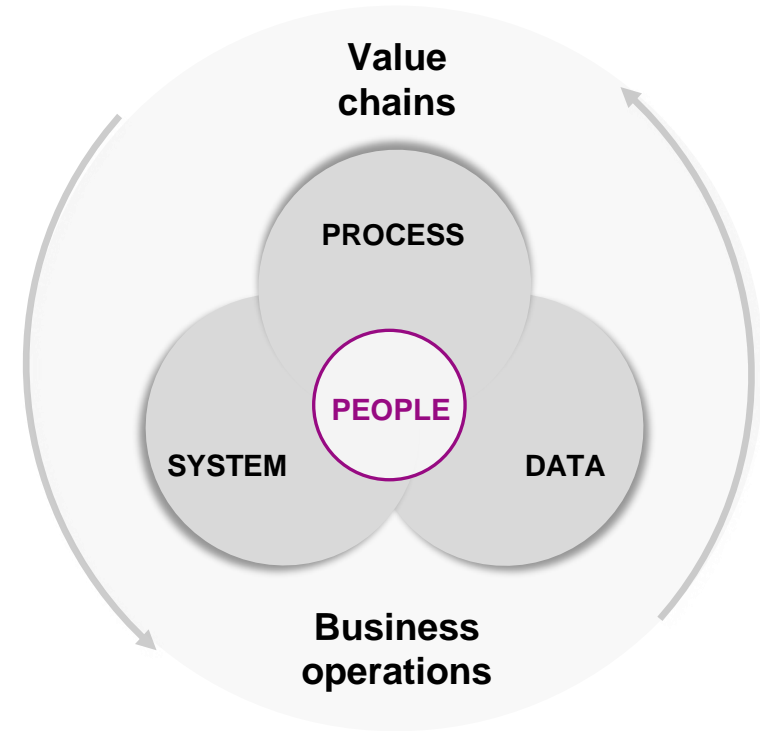

**Change fitness is an
essential skill to thrive**

**It requires the ability to
continuously adapt value chains
and thus business operations
along all 4 dimensions**

Transformation is a race. Speed an imperative. Control essential.

Your race is on...

Your transformation team
Fully in control and enabled?

The cockpit

instruments to run the
transformation engine

The rear mirror
your process and system
legacy chasing you

Transformation

The front window
your value targets and
change execution

SAP Signavio puts your employees in the transformation driver seat

Know your legacy. Take informed action fast. Drive with precision.

Clear view on data ...

Data-driven Journey and Process Analysis

- Customer experience and journey metrics meet process execution metrics
